student card. Fencers have to be armed with equipments that match the general safety (system 350Nm) regulations of fencing equipments.

All helmets must be controlled before use at the events of GP!

Please make a strict care of helmets! Double check them before travelling!

We take strictly the FIE-rule as following: „If a helmet can not pass the control, the control person is going to make that helmet visibly unusable in the presence of the involved fencer or their captain.”

According to the decision of the Hungarian Fencing Federation, wearing underplastron with FIE label of 800 Nm sign will be compulsory from 1st of september 2015 in all age groups.
